Tech Stack

The diagram illustrates the tech stack with the following components:

- Frontend: React Native
- Node.js: Deployed on Digital Ocean
- API of balance

Node Js

Node.js is a back-end Javascript runtime environment, runs on the V8 Javascript Engine, and executes Javascript code outside a web browser.

Digital Ocean

DigitalOcean is a technology company and cloud service provider.

Flutter

Flutter is an open-source UI software development kit created by Google. It is used to develop cross-platform applications for Android, iOS, Linux, macOS, Windows.

MongoDB & Firebase

Classified as a NoSQL database program, MongoDB stores documents in JSON-like documents.

A person is standing to the right of the slide, gesturing with their hand towards the content.
